

Madison Carter

age: 18

residence: Charlotte, NC

education: High School

occupation: Part-time Retail Worker

marital status: Single

"I just want someone I can actually vibe with—not just survive the year with."

Madison is constantly texting, planning events, and staying active socially. She checks apps frequently, keeps a packed calendar, and wants a roommate who fits into her lifestyle—not clashes with it.

SOCIAL NETWORK

Criteria For Success:

- Matches with someone socially compatible
- Easy communication before move-in
- Avoids awkward or incompatible roommate situations

Needs

- Personality quizzes
- Interest-based matching
- Messaging before matching commitment

Values

- Communication
- Shared interests
- Social lifestyle

Wants

- Icebreaker games
- Social media integration
- Compatibility "score"

Fears

- Being stuck with an awkward or antisocial roommate
- Living with someone who isolates themselves

Ethan Nyugen

age: 17

residence: Irvine, CA

education: High School

occupation: Tutoring / Freelance Coding

marital status: Single

"I don't need a best friend—I need someone who won't mess up my routine."

Ethan spends most of his time studying, coding, or preparing for classes. He values structure, quiet environments, and efficiency. He uses technology as a tool, not entertainment.

Needs

- - Lifestyle filters (sleep schedule, noise level)
- - "Dealbreaker" settings
- - Schedule compatibility

Values

- - Discipline
- - Efficiency
- - Personal space

Criteria For Success:

- Finds a roommate with similar study habits
- Avoids distractions and conflict
- Maintains consistent routine

Wants

- - Calendar sync
- - Quiet/cleanliness ratings
- - Academic major matching

Fears

- - Loud or disruptive roommate
- - Losing productivity due to environment

Jordan Ramirez

age: 18

residence: San Antonio, TX

education: High School

occupation: Part-time Food services

marital status: Single

“I’ve got my own life going—I just need someone who respects that.”

Jordan balances school and work, often working late shifts. They value independence and flexibility. Their schedule is unpredictable, so they need someone adaptable.

Criteria For Success:

- Finds a flexible, low-maintenance roommate
- Avoids conflict over schedule differences
- Maintains independence

Needs

- Schedule visibility
- Lifestyle compatibility filters
- Privacy controls

Values

- Independence
- Respect
- Flexibility

Wants

- Simple messaging
- Quick profile scanning
- Minimal onboarding

Fears

- Judgment for schedule/lifestyle
- Conflicts over noise or time differences

Olivia Bennett

age: 18

residence: Columbus, OH

education: High School

occupation: Babysitting

marital status: Single

"I'd rather take my time and get it right than rush into something uncomfortable."

Olivia is quieter and more reserved. She researches everything before committing. She prefers texting over calling and needs time to feel comfortable with people.

Criteria For Success:

- Feels safe and comfortable with roommate
- Has enough information before committing
- Avoids uncomfortable social situations

Needs

- Strong privacy settings
- Gradual information sharing
- Verification system

Values

- Safety
- Trust
- Comfort

Wants

- Anonymous browsing
- Icebreaker prompts (low pressure)
- Detailed profiles

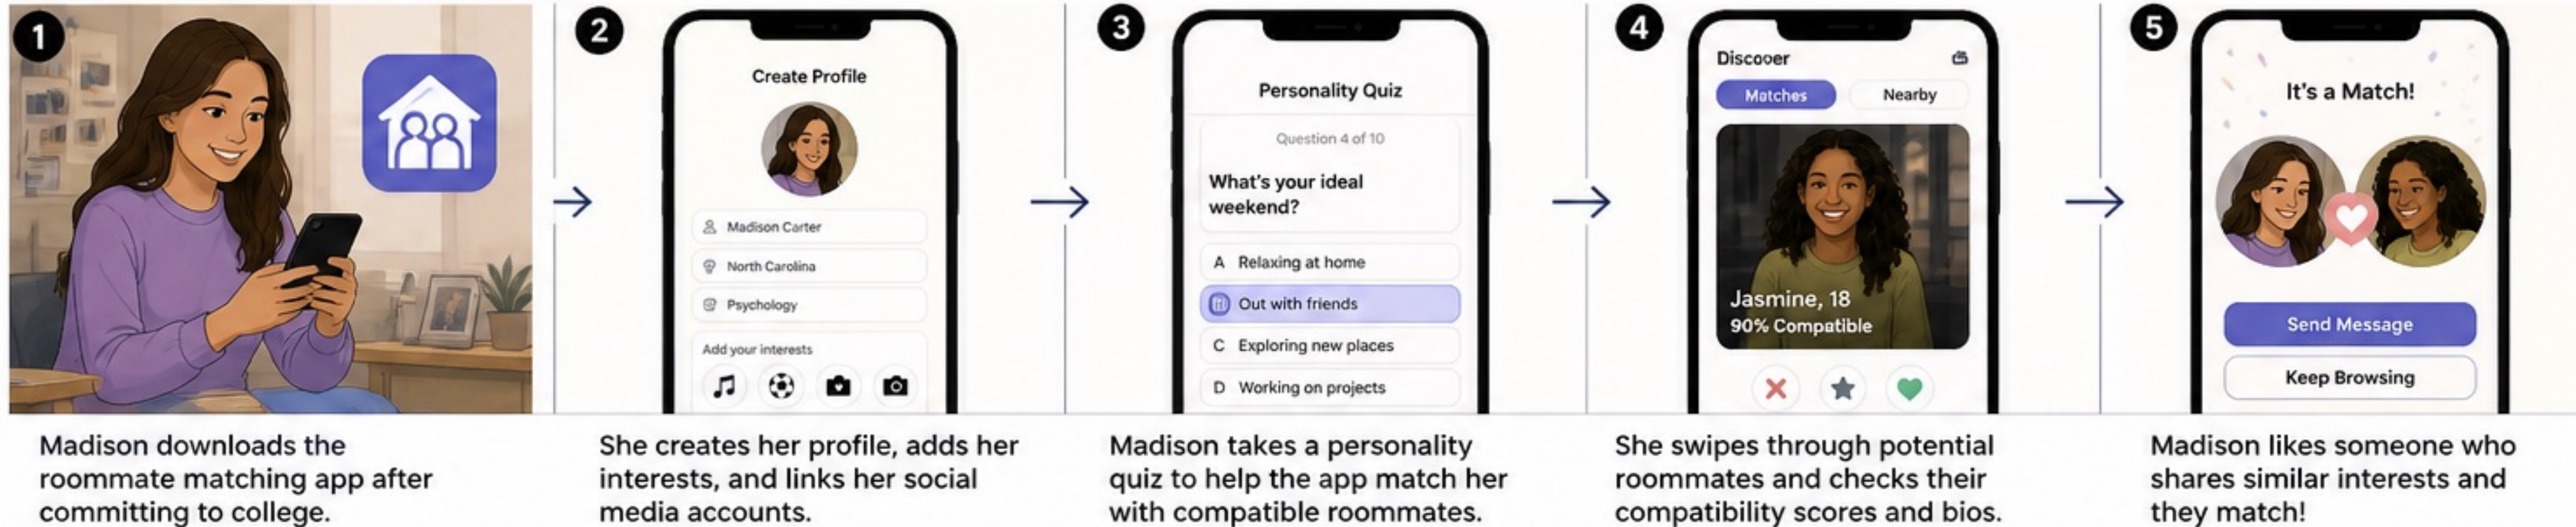

Fears

- Being stuck with someone incompatible
- Social anxiety or awkward living situation

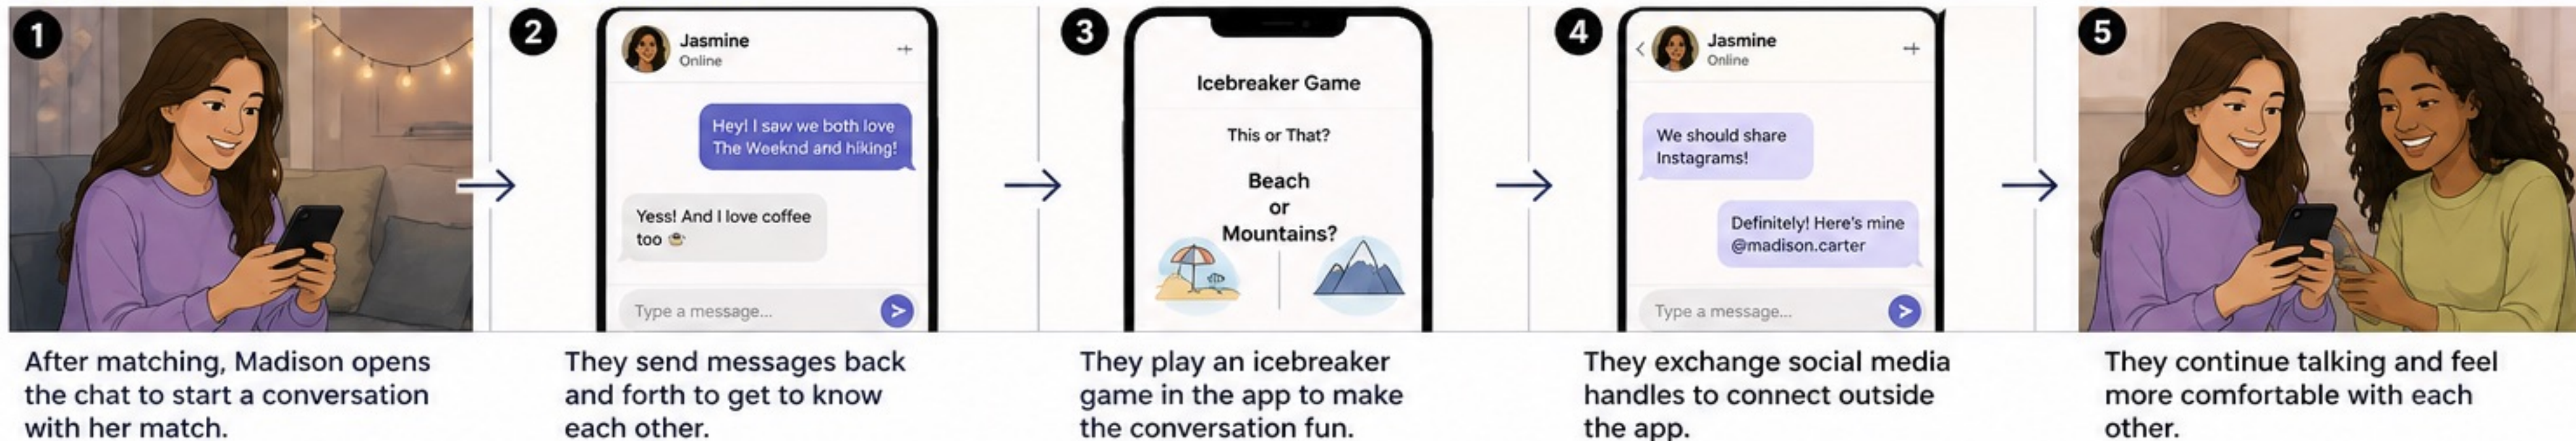

PERSONA 1: MADISON CARTER – THE SOCIAL PLANNER

"I just want someone I can actually vibe with—not just survive the year with."

SCENARIO 1: BROWSING & MATCHING

SCENARIO 2: COMMUNICATION & ICEBREAKERS

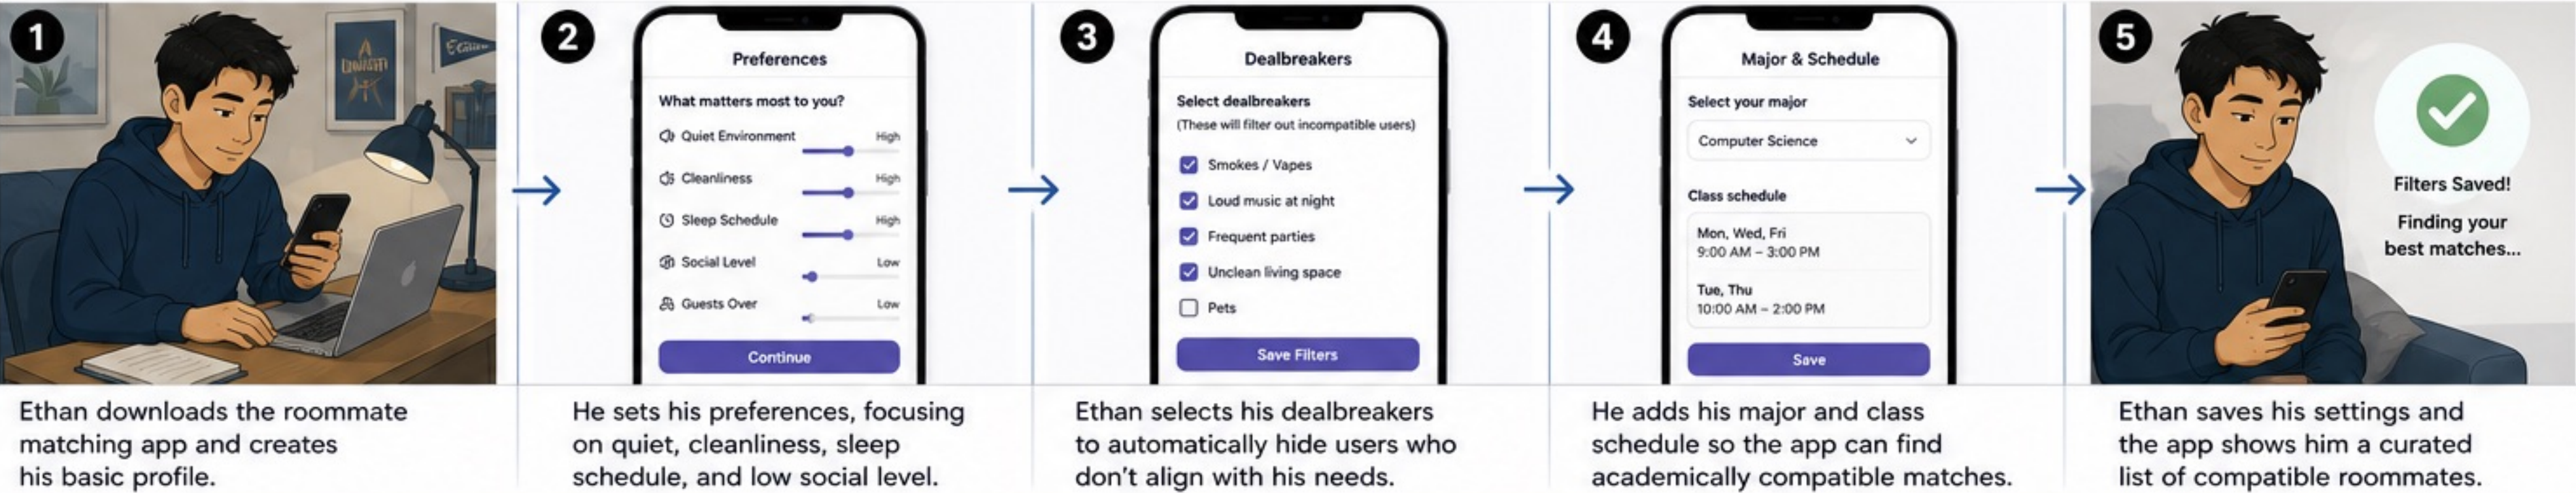

SCENARIO 3: FINAL DECISION

PERSONA 2: ETHAN NGUYEN – THE FOCUSED ACADEMIC

"I don't need a best friend—I need someone who won't mess up my routine."

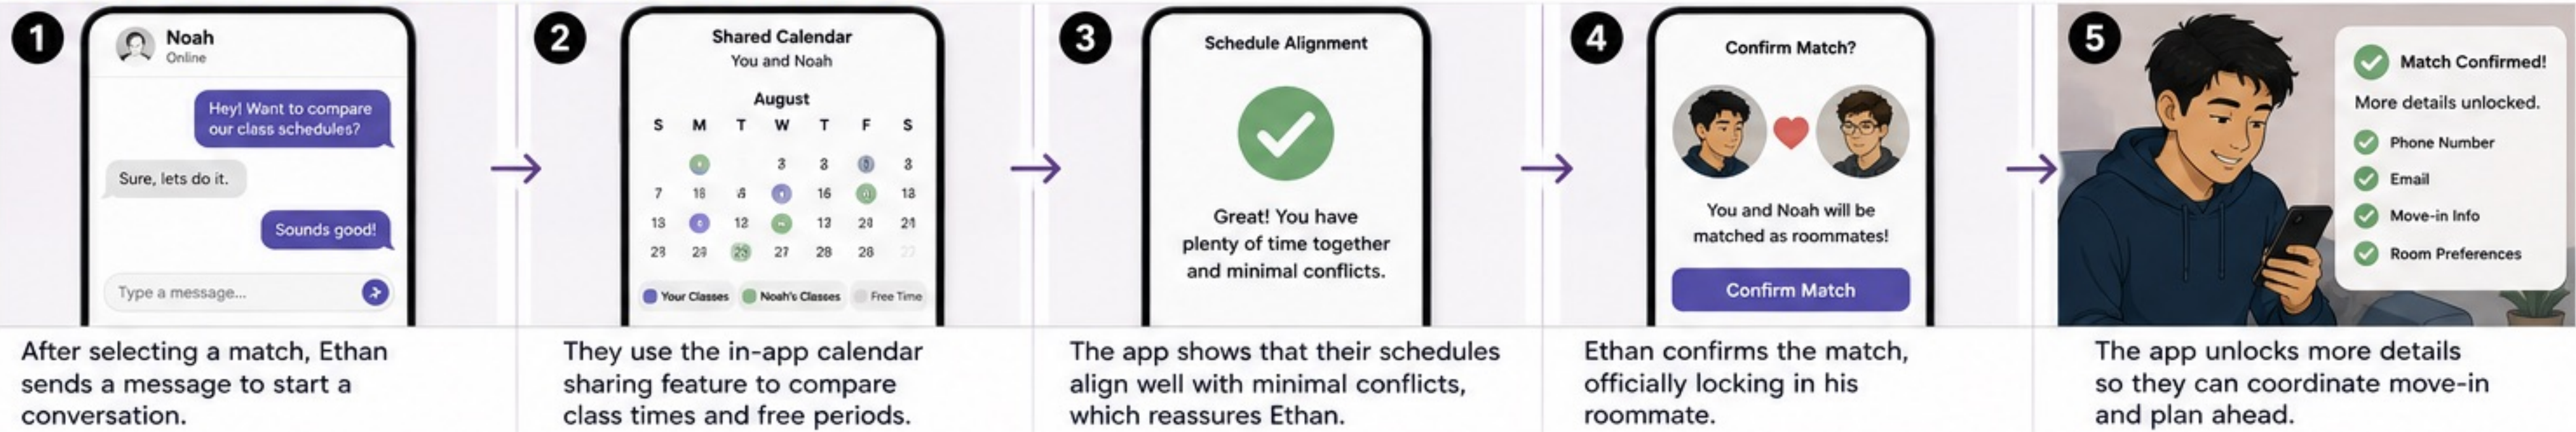

SCENARIO 1: FILTERING FOR COMPATIBILITY

SCENARIO 2: EVALUATING MATCHES

SCENARIO 3: SCHEDULE COORDINATION & CONFIRMATION

PERSONA 3: JORDAN RAMIREZ – THE INDEPENDENT WORKER

"I've got my own life going—I just need someone who respects that."

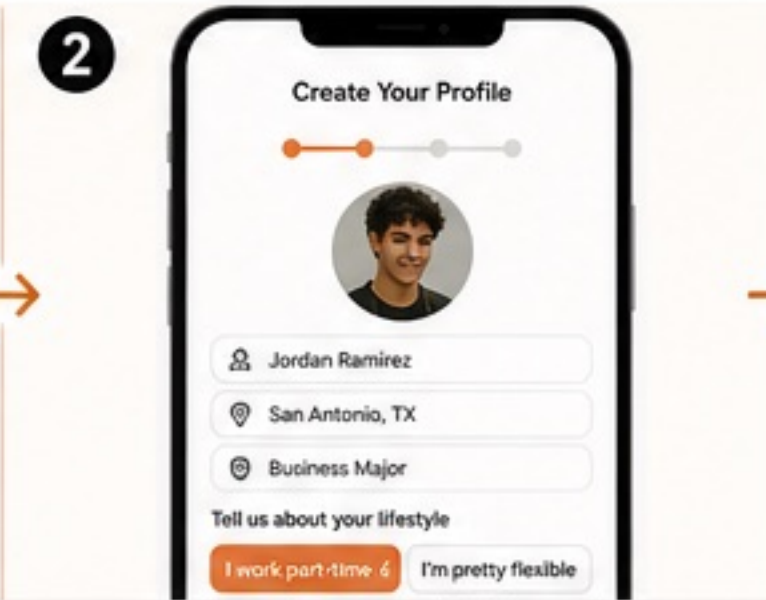

SCENARIO 1: QUICK SETUP

1

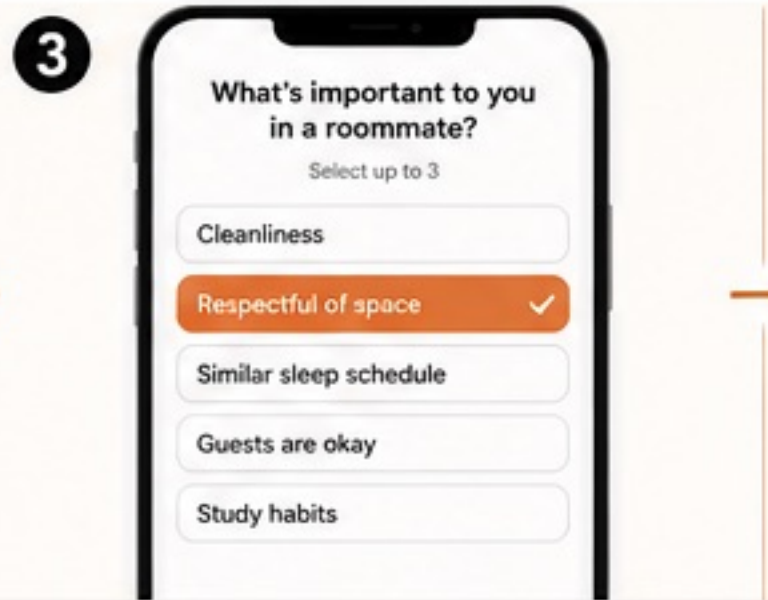

Jordan downloads the roommate matching app between classes on his way to work.

2

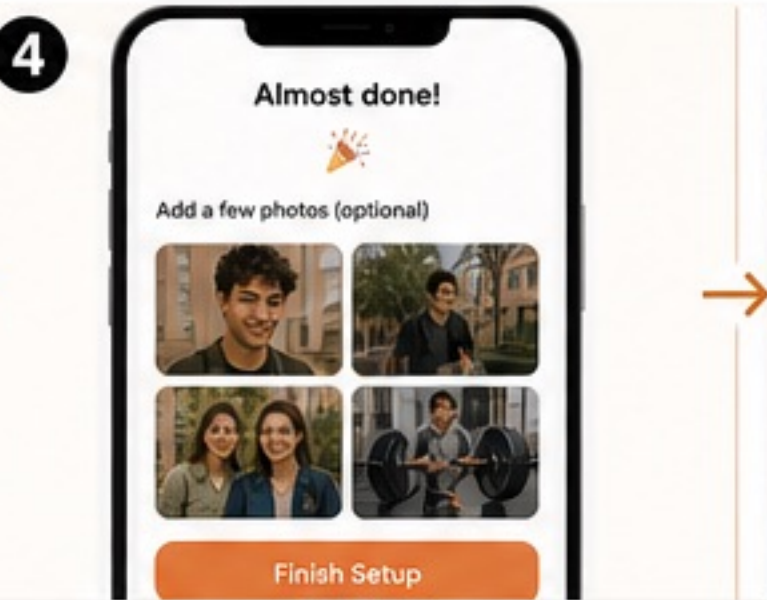

He quickly creates a basic profile, adding his major and work schedule.

3

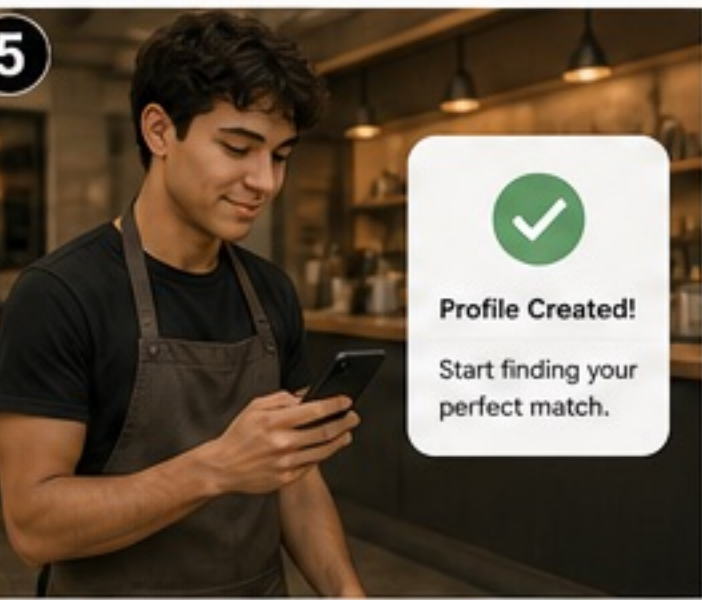

Jordan selects what matters most to him and skips the optional personality quiz for now.

4

He adds a couple photos and finishes setup in just a few minutes.

5

Jordan's profile is live and he's ready to find a roommate that fits his lifestyle.

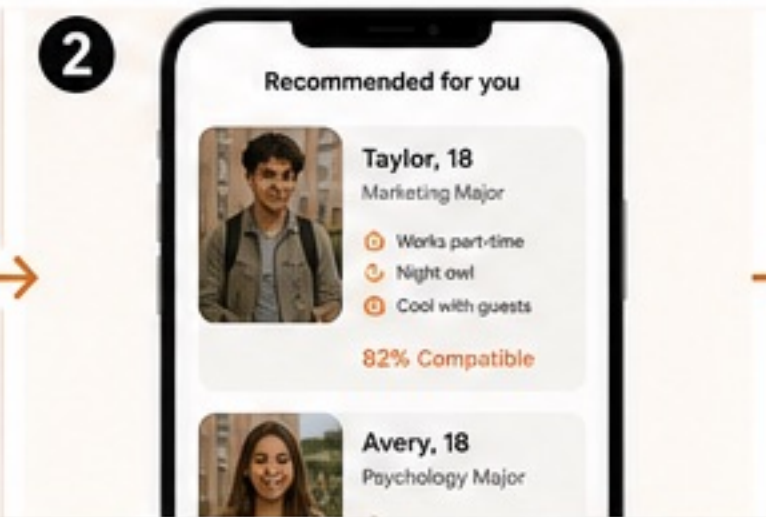

SCENARIO 2: FLEXIBLE MATCHING

1

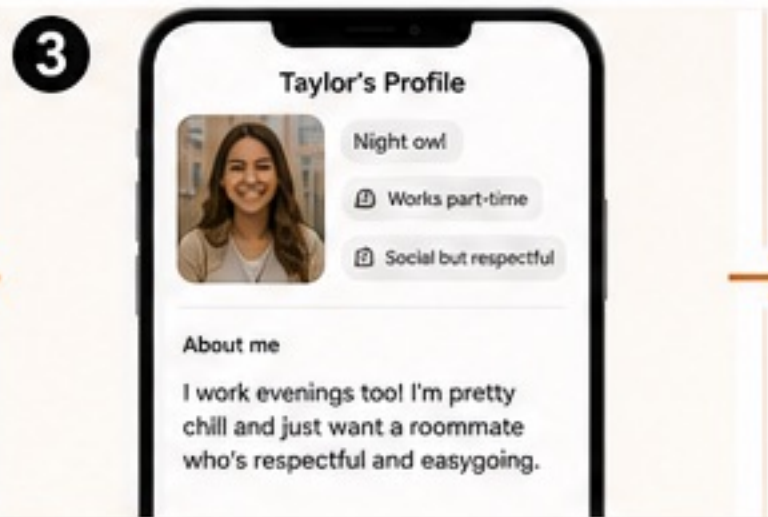

Jordan browses potential matches during a break at work.

2

He looks for roommates who have similar work schedules and flexible lifestyles.

3

He reads through profiles quickly, focusing on key details like schedule and habits.

4

The app shows compatibility highlights so he can make a quick decision.

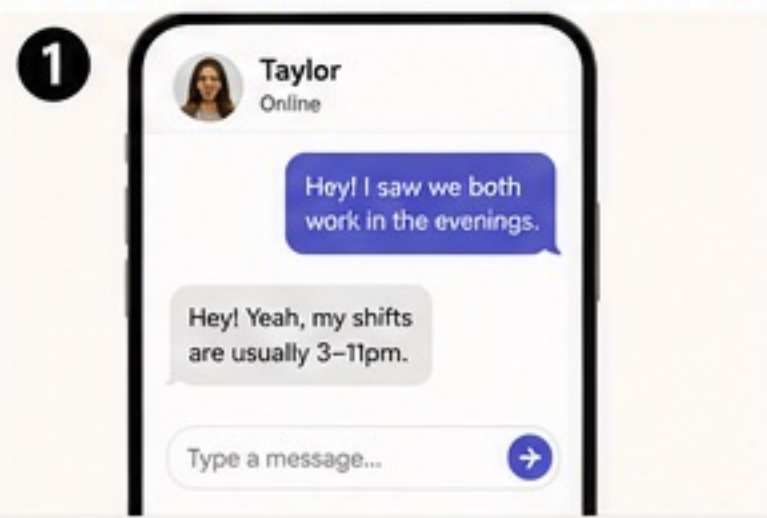

5

Jordan likes Taylor's profile and sends a like to start a match.

SCENARIO 3: MINIMAL COMMUNICATION & CONFIRMATION

1

Jordan and Taylor match and exchange a few quick messages.

2

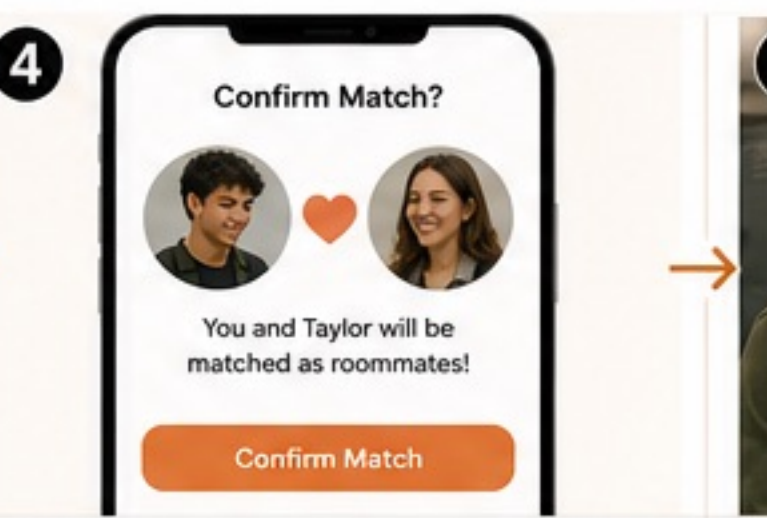

They use the in-app prompts to set expectations and make sure they're on the same page.

3

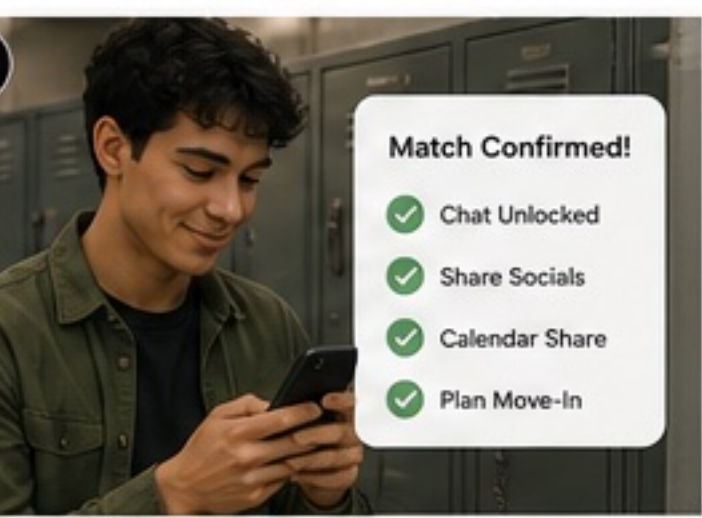

They feel good about the match and agree they'd be a good fit for each other.

4

Jordan confirms the match, officially connecting them in the app.

5

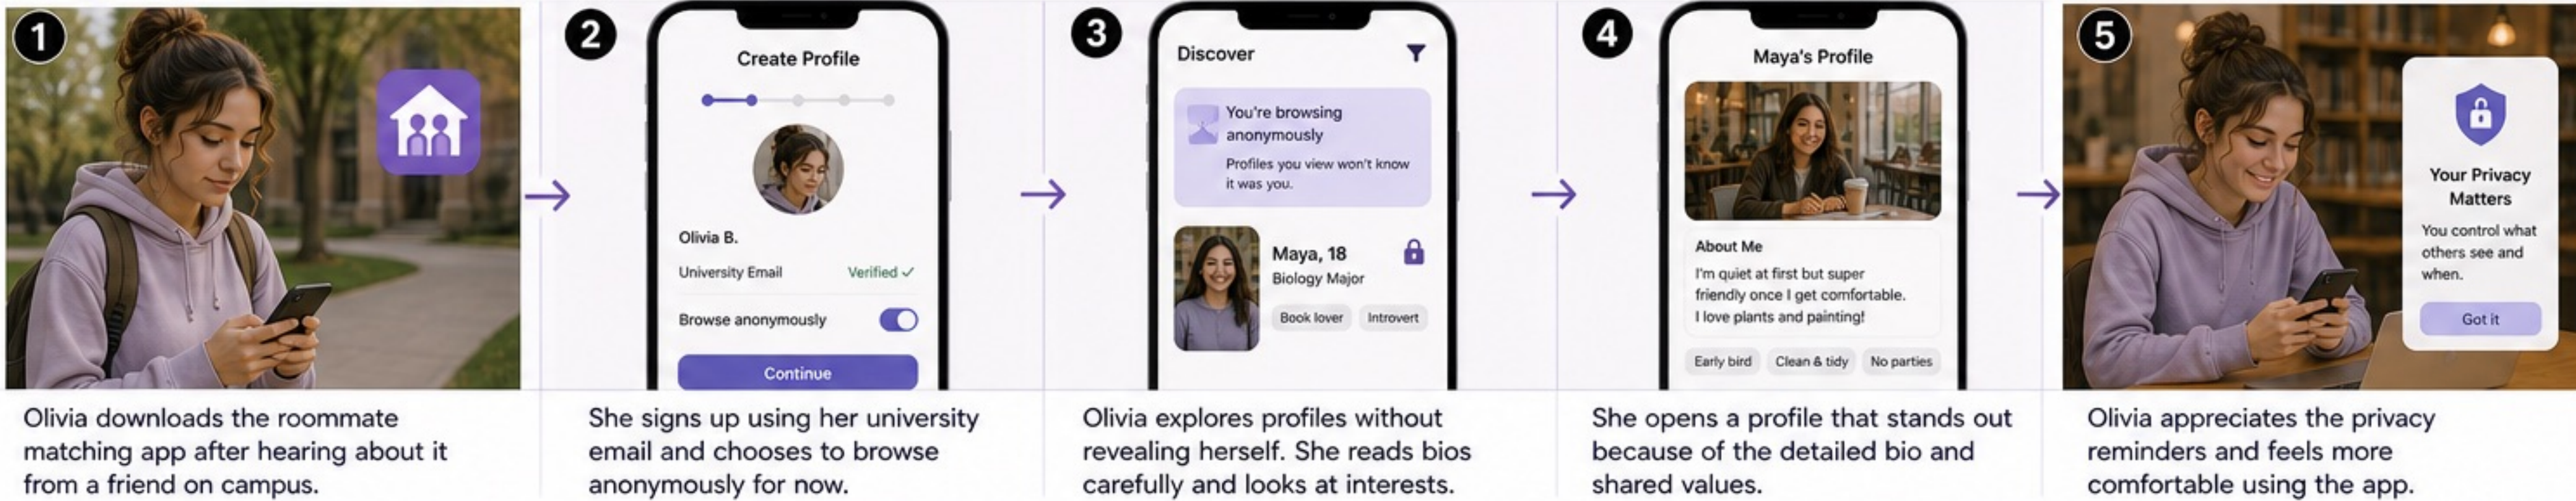

They unlock more features to plan ahead while Jordan gets back to his shift.

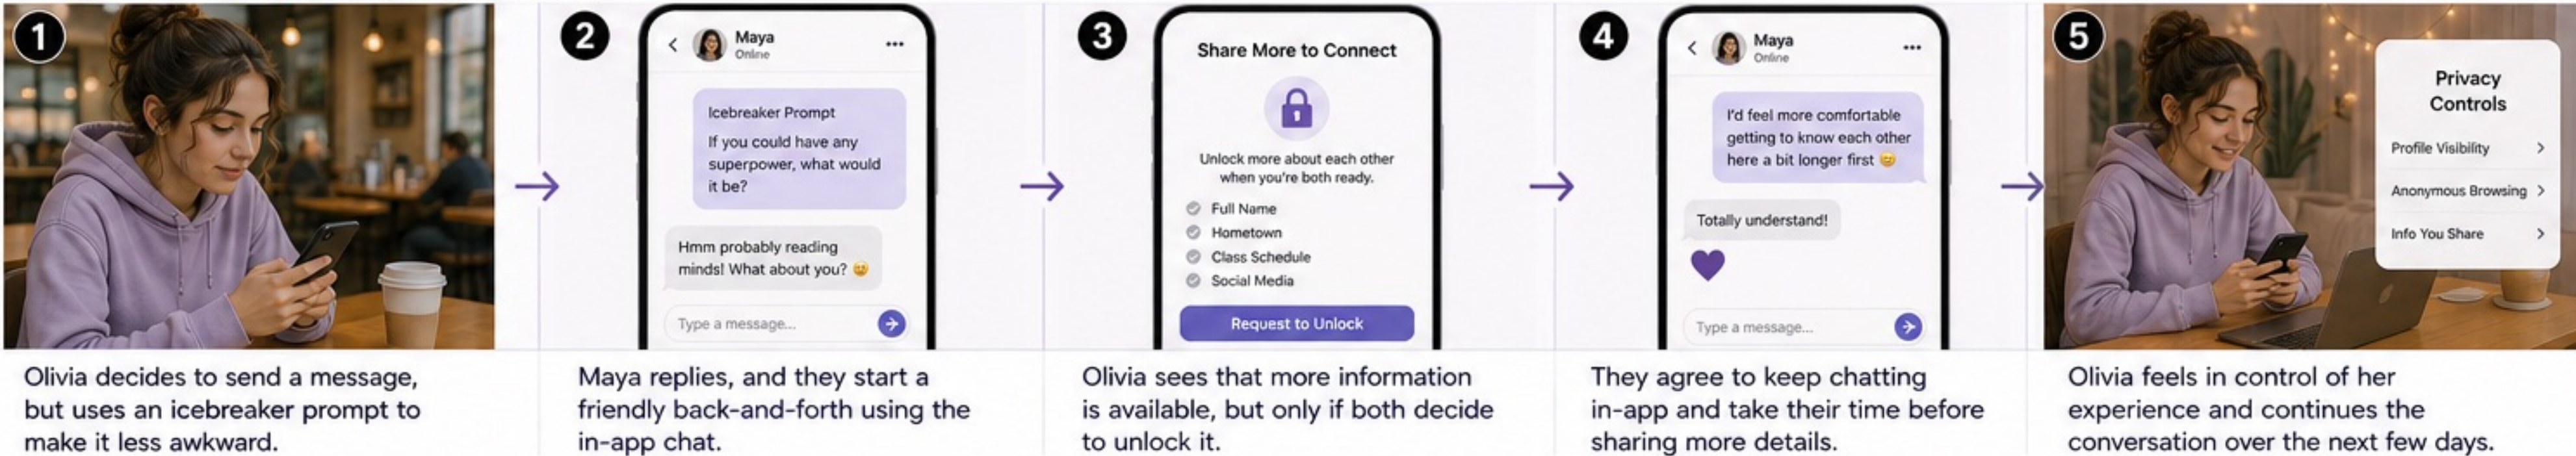

PERSONA 4: OLIVIA BENNETT – THE CAUTIOUS INTROVERT

"I'd rather take my time and get it right than rush into something uncomfortable."

SCENARIO 1: CAREFUL EXPLORATION

SCENARIO 2: GRADUAL INTERACTION

SCENARIO 3: TRUST & VERIFICATION
